Mr. Dulles

We are required to transmit a financial plan for Fiscal Year 1959 to the Bureau of the Budget by 20 October 1958 and to make quarterly reports thereafter. I believe it is desirable that you sign the initial report for the entire Fiscal Year. I think that we can back up our statement that we have absorbed a workload requiring the equivalent of 410 people during the past year.

Request your signature on the attached proposed letter and return to me for hand delivery to the Bureau.
